

COLLEGE OF PHARMACY AND HEALTH SCIENCES

College Vision Statement

A diverse community of learners leading the way to a healthy world.

College Mission Statement

Preparing today's learners to be tomorrow's health care leaders.

The College of Pharmacy and Health Sciences provides an intellectually stimulating learning environment with collaborative learning among students, faculty and staff. Graduates are liberally educated professionals who are dedicated to serving their clients, patients, profession and communities. The college emphasizes excellence and leadership in professional education, service and scholarship.
