FREN 151. NATIONAL IDENTITY IN A TRANSNATIONAL AGE. (3 Credits)

French 151 is a course designed to introduce advanced-level students to the history and culture of France. Students will explore the issues of French culture that arise as its national identity is challenged by the strengthening of transnational and sub-national identities. As students explore France's historical development, they will analyze aspects and issues of its social, economic, artistic, intellectual, and political life in an attempt to build global awareness and understanding among citizens of the world. The course is taught in French.

Level: Graduate, Law, Non Degree Coursework, Professional Health Care, Undergraduate
