The candidate must complete a minimum of 124 credit hours.

An acceptable senior recital of approximately one hour's duration in the student's major applied music field is required.

Elective Studies in Business

The Bachelor of Music with Elective Studies in Business prepares students to pursue career opportunities in which the arts and business intersect. This includes performing arts management, support staff for large non-profit organizations, facilities management, and more. In addition to coursework undertaken in the Department of Music and the completion of a minor in Drake's Zimpleman College of Business, students take part in an internship program working with local arts organizations. The result is a comprehensive and diverse program that takes advantage of Des Moines' thriving music scene.
